

MENTAL HEALTH COPAY ASSISTANCE PROGRAM

We offer a **free** Mental Health Copay Assistance program for Lancaster County youth and children through age 25, and their parents in financial need. This program reduces a participant's copay *for visits with a licensed behavioral healthcare provider* to just \$10.

Who qualifies?

- Persons age 0-25 years old, or a parent of a dependent child age 0-25 years old
- Resident of Lancaster County, Pa.
- Must have private insurance
- Household income at or below 250% of the federal poverty guidelines

Current Federal Poverty Guidelines

- A single person with an income of \$31,225 or below
- A family of two with an income of \$42,275 or below
- A family of three with an income of \$53,325 or below
- A family of four with an income of \$64,375 or below

This program does NOT

- Serve as insurance. However, we can assist clients with insurance enrollment and referrals.
- Pay for prescriptions
- Pay for primary care or emergency room visit copays

For **insured** patients who qualify for our assistance program, providers:

- Bill client's private insurance company
- Bill your client \$10
- Bill LOHF for the remaining balance

For **uninsured** patients who qualify for our assistance program:

- LOHF will first assist client in obtaining private insurance if possible
- If client does not qualify for private insurance or Medicaid, provider charges the Medicaid rate (currently \$103)
- You would bill the client \$10
- You would bill LOHF for the remaining balance
