Mental Health Access Assistance

Helping families manage out-of-pocket costs like co-pays and deductibles by matching them with a local therapist or counseling session with a licensed clinician in Lancaster County.

How It Works:

- Qualified applicants will receive a program enrollment card from Touchstone Foundation
- Your therapist/counselor’s office will invoice Touchstone for up to \$50 per visit/session. After assistance amount is deducted you will be responsible for paying any remaining balance of your co-pay or deductible per visit/session.
